Important Information

This is for informational purposes only, is not a solicitation, and should not be considered investment or tax advice.

Investing involves risk, including the possible loss of principal. Past performance does not guarantee future results. Asset allocation cannot eliminate the risk of fluctuating prices and uncertain returns. There is no guarantee that a diversified portfolio will outperform a non-diversified portfolio. No investment strategy, such as asset allocation, can guarantee a profit or protect against loss.

AssetMark, Inc. is an investment adviser registered with the Securities and Exchange Commission.
